

St. Alban's CE (Aided) Primary School – Collective Worship – Spring 1 2025

What is fellowship?

Fellowship is to love one another and care for one another because we all have the same *goal*.
Fellowship is: Working together to achieve shared goals. Fellowship is: Overcoming and celebrating our differences
'And let us consider how we may spur one another on towards love and good deeds...encourage one another...'

Hebrews 1:24

We show fellowship through learning to live together and collaborate with one another, whatever our differences may be. We encourage everyone to feel valued and to value the differences in others, both in our school community and wider afield. We try to think about how our actions may affect others. We encourage courageous advocacy for the things which they believe in and seek to find ways to support our world in becoming a better place.
