

## How can I be a good friend?

Good friendships boost your overall well-being and greatly enhance your life. At the same time, a good friendship isn't built without a lot of time and effort—and a lot of love. But what is a good friend?

The more positivity you can bring into the friendship, the better you'll be at being a good friend.

## Lent and Easter

What is Lent? Why is this an important time for Christians?
