WEEKLY BULLETIN 14TH MARCH 2025

School Code of Conduct

Dear Parents/carers,

It is with great sadness, following several incidents over the past couple of weeks, that I feel I need to remind everyone that it is not acceptable to treat others - both adults (whether that is other parents or staff) or other people's children- with threatening, violent or abusive language or actions. Our children learn from our behaviours and we are trying really hard to model tolerance, acceptance and inclusion to everyone. Please support us by showing our core values as well: these are not just for the children, but for the whole community.

Your views are important to us!

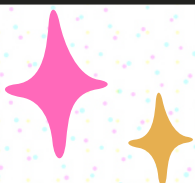

Thank you to the 4 people who took the time to respond to last week's survey regarding the weekly bulletin. As the end of my first year as Headteacher approaches, it is important to reflect on the school. So the governors and I are asking all stakeholders: pupils, parents and teachers for their feedback. Please take 5 minutes to complete the survey (these are the same questions Ofsted would ask parents) which can be found here, or by scanning the QR code:

Closing date is: 21st March

Thank you for taking the time to complete this.

This week...

Year R have been under the sea!

Year 1 have been measuring length and height.

Year 2 have been enjoying their outdoor learning and learning about animal's habitats!

Year 3 have been using 'Bones' to write a non-chronological report about their body.

Year 4 have been observing their teeth and finding out what the job of the different teeth are!

Year 5 have been writing about the Mars Rover.

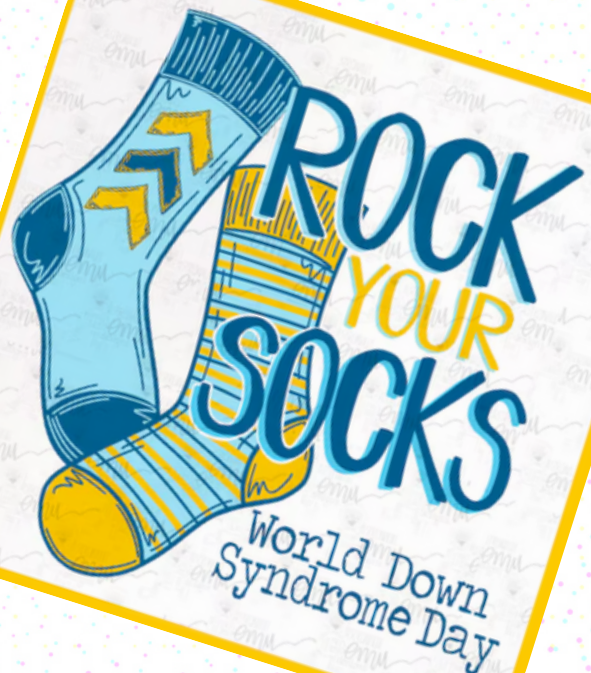

Year 6 have been undertaking a full set of practice SATs, using last year's paper. They have been persevering and doing their very best! Well done.

NEXT WEEK...

Next week is Down Syndrome Awareness Week. As part of this and in line with our core value of fellowship, we will be sharing George Webster's book 'This is Me!' with the whole school. We will also be looking at other differences that people have: both visible and not so visible, such as autism and ADHD to support our understanding of differences in line with The Equality Act 2010. We will be taking part in 'Rock your Socks' on Friday!

SAFEGUARDING:

Many children like to play on line games with their friends. Unfortunately, this is when incidents of unkind, mean or bullying behaviour can happen. It often spills over into the school day and can disrupt valuable learning time. There is some great advice available to parents to ensure you are 'in-the-know'. Follow these links to ensure you know how to keep your children safe on-line.
