

WEEKLY BULLETIN

9TH MAY 2025

Headteacher Message

Dear Parents/carers,

Thank you to the year 2 and year 5 classes who were our 'Prickles Protection Posse' and organised a fantastic after-school event on Friday. Great love and fellowship in action as well as raising over £250 for the Waterlooille Hedgehog Rescue. My lavender bags smell gorgeous!

And, for our year 6 children as you prepare to sit your SATs over this coming week...we are so incredibly proud of the people you are. Do your very best and no-one can ask anymore of you. You've got this!

Request from Year R

We would welcome any donations of loose parts. These can include, but are not limited to: corks, fir cones, shells, pebbles, buttons, cotton reels, old wooden spoons, old seeds, ribbon, feathers, dried flowers, cut off pieces of wood, willow baskets, different sized containers (buckets, coffee tins etc), pieces of material, fake grass cut-offs, pegs, tent pegs etc. Please hand these in at the school office. Many thanks for your continued support.

Learning Quest Overviews

You should have received your child's Learning Quest Overviews by now. These help you to know what your child is being taught in each lesson and Learning Quest. The Home Learning is on the reverse of these...please support your child in taking part in these and most importantly in reading 5x a week.

The Learning Quest overviews can be found on our website too:

VE Day

It was lovely to see so many children and families get into the spirit of this event. The children learnt facts, songs and spent time thinking about the importance of this anniversary. There is a great display in the main corridor which you will all get to see when you come into school.

SCHOOL GOVERNOR POSITION UPDATE

Welcome to Dr Jacqueline Priego to the Governing Body, the successful candidate from our parent election. We all look forward to working with you.

SHOES

We are looking to create a second hand shoe store from shoes that children have grown out of but are still in good condition. If, when your child needs new school shoes, you think: 'These are still as good as new; someone else could wear these,' please drop them into us and they can be appreciated and worn some more by another child.

Thank you!

**Love, Courage and Fellowship
Inspired to make a difference in God's world with
excellence and love.**

Collective Worship

This half term we are exploring the value of compassion. Simply put, this is 'love in action'. We will be looking at different stories from the bible that show compassion over the half term.
